

Curriculum Vitae

Anita Randall

Phone: + (617) 40951116

Email: anitarandall@biotropica.com.au

Education: Bachelor of Science with Honours (Ecology)
Graduate Certificate (Tropical Environmental Management)

Environmental Management Skills & Experience

- Development and delivery of environmental training and inductions to industry staff and contractors. E.g. Ergon Wet Tropics Inductions - presentation of World Heritage Values, issues, legislation, codes of practice and Environmental Management Plans.
- Development and implementation of site Environmental Management plans in the mining industry. Conducting environmental inspections and investigations, regulatory reporting.
- Collection of various sample types (groundwater, surface water, soil). Data management, analysis and interpretation. Design of sampling programs.
- Four years experience in weed research and extension (weed ecology, biological control, development of best practice guidelines).

Education/Employment Background

Education

- **Bachelor of Science with Honours** (Ecology) 2000 – 2003
 - James Cook University, Townsville
 - Honours Thesis “Bird assemblages of riparian rainforest remnants in lowland sugarcane areas of the Wet Tropics”
 - GPA 6.59 (scale 1-7, 7 highest)
- **Graduate Certificate** (Tropical Environmental Management) 2005 – 2006
 - Charles Darwin University, Darwin

Employment

- **Environmental Scientist** 08/2009 – current
Biotropica Australia Pty Ltd
Tarzali, Atherton Tablelands, QLD
- **Weed Scientist** 02/2009 – 08/2009
Tropical Weeds Research Centre
Queensland Primary Industries and Fisheries, Charters Towers, QLD

- Environmental Technician** 04/2007 – 06/2008
 Granites Gold Mine
 Newmont Asia Pacific, Tanami Operations, NT

- Biological Control Officer** 09/2005 –04/2007
 Weed Management Branch
 Northern Territory Government, Darwin, NT

- Experimentalist (Ecology)** 03/2004 – 04/2005
 Tropical Weeds Research Centre
 Queensland Primary Industries and Fisheries, Charters Towers, QLD

Additional Competencies

- Queensland Drivers License – Class C
- Senior First Aid Certificate (including CPR)
- Four-wheel drive training
- Quad-bike (ATV) training
- Internal Auditor training
- Queensland Construction White Card - General Safety Induction CPCOHS1001A
- Generic Contractor Induction (Ergon)
